# WHAL April Challenge: Use a color palette from nature

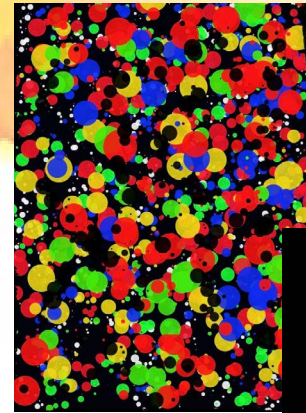

**Josette Baker**

the palette inspired by evening sunsets viewed from my kitchen window. It's an iris titled 'Fleur de lis of Divine Promise'

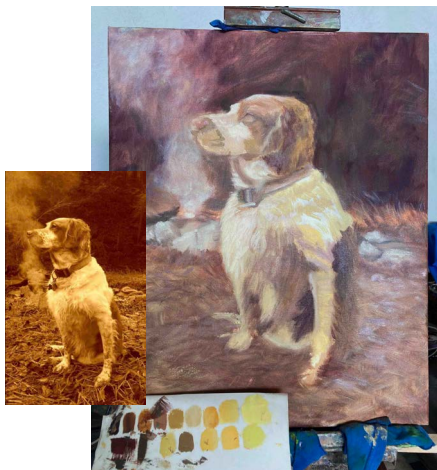

**Sue Vandertie**  
Spring Flowers

**Helena Valentine**

My nature palette was inspired by the picture of a tropical tree frog. My polka dot style was inspired by Yayoi Kusama, age 94, a Japanese artist who is sometimes called 'the princess of polka dots'. She recently collaborated with Louis Vuitton for a handbag design. I saw a couple of the handbags in a store window in Honolulu last week!

**Kelley Bush**

Work in Progress (Scott's Copper)  
20" x 16", Oil on canvas

This was the perfect challenge for this painting! Creating a palette helped me to organize my color scheme. After mixing the top row of colors, I decided to step my typical, bright palette down by slightly greying out the brightest orange and yellow hues with a bit of Chromium Oxide green. I'm also consciously working more loosely on this one and keeping the edges soft and paint thin. I'm very pleased with the results two days into the painting! Great challenge!

**James Tobin**

**Emily Glass**

Radiance (5x7 Mixed Media on Canvas)

**Steph Moraca**

"Cherry Blossom + Bluebird"

**Duane Cacali**  
The Shack

## Hameau Farm Studio Artist Retreat

## The 26th Annual Hameau Artist Retreat May 9-13 & September 26-30, 2023.

**Day options available for all Hameau Artist Retreats.**

Hameau Farm Studio Artist Retreat is a gathering place for artists to share, create, learn, and have fun. The unique studio, variety of landscape views, seasonal farm to table food, and camaraderie compel the artists to return. From the beginner to the professional artist, Hameau captures and inspires the creative spirit in a positive and supportive atmosphere.

Susan Nicholas Gephart believes in nurturing the "Artistic Spirit" of the individual artist. Hameau Farm Studio in The Big Valley of Central Pennsylvania has been the perfect place for her to organize Artist Retreats for the last 20 years.

We welcome artists of all media and levels, serve beautiful meals catered to individual needs, and we will work to fit your schedule, interests, and budget.

The panoramic views and comforts of the Hameau Farm Studio along with its well-lit space for demos, critiques, and painting make it an ideal getaway for artists. The beautiful fields, valleys, Amish farms, and lush Kish Creek await the colors of your palette. Beyond Hameau lie Brookmere Vineyards, Plum Bottom Farm lane, and the view of Juniata Valley at Jack's Mountain.

Life doesn't get much better for artists, when all they have to think about is "Which beautiful scene should I paint next?"
