FIRST & CHANCERY AT GAN

EAST PITTSBURGH AT GAN

BOULEVARD OF THE ALLIES AT GAN

"I started out in Wilkesburg, PA and lived in various locations. I ended up back in Pittsburgh pursuing a degree at the Art Institute of Pittsburgh. After graduating I worked as an airbrush artist at several studios until I started my own commercial art business.

One of my current project is the process of frottage (art) to create a rubbing of a manhole cover with oil pastels on canvas. This new and interesting idea has turned into something visually rewarding and historically

interesting. It's not only inspiring for myself but also for anyone who chances to pass by as I create the rubbing. The final piece is a colorful, graphically interesting manhole cover rubbing on canvas. The art forever preserves a tiny piece of history that otherwise goes unnoticed."

FROTTAGE (art): A technique in the visual arts of obtaining textural effects or images by rubbing lead, chalk, charcoal, etc., over a paper or canvas laid on a textured or raised surface.

PLEIN AIR PAINTING EVENT at Roselea Farm! Sunday, October 15 starting at 9am

Please join us for this rare opportunity to paint at the beautiful and historic Roselea Farm. Located in Coraopolis Heights, this beautiful 1905 Tudor mansion is situated on a 32-acre estate and has many art inspiring areas. Choose from the gardens, main house, farmer's cottage, tower house, a large barn, a smaller barn, a commercial greenhouse and even a herd of goats!

Plus, we have invited artist and instructor William Pfahl to join us for the day to share some of his techniques.

We will meet at the big barn at 9:00am and Bill will give a brief talk on plein air painting and give some guidance. Then we will all break out and find our spots to work and he will be available for questions.

If you have never done plein air before, this is the perfect opportunity to start! And, if you are already a seasoned plein air artist, don't miss this opportunity to paint at this amazing location!

So please pack a bagged lunch and plan to spend the day with us! We will have a supply of beverages available in the barn which is decorated with antique furniture and often used for weddings and other events. Restroom facilities will be available. Ample Parking. This event is rain or shine.

William Pfahl works from life as a plein air painter, in oil and pastel. Based in Pittsburgh, Pennsylvania, he is best known for his cityscapes and landscapes of surrounding areas but does portrait, figure and still life paintings, as well. He received a Bachelor of Fine Arts degree from Rhode Island School of Design (RISD) and studied in Rome & Florence, Italy through the RISD European Honors Program.

This event is rain or shine. West Hills Art League Members - Free, Non-members \$5.00.

Please register by Oct. 14th on our website: www.westhillsartleague.com (click on "Workshops")

Christopher Leeper Weekend Watercolor Workshop
Friday, October 20, 6:00 – 8:00 P.M., Meet & Greet
Saturday, Oct. 21, and Sunday, Oct. 22, 2023; 9:30 A.M.-4:00 P.M.

Pittsburgh Watercolor Society is delighted to present a Weekend **Watercolor Landscape Workshop** with **Christopher Leeper**. A frequent award winner in several juried and invitational Plein Air events yearly, his work is seen in solo exhibitions throughout the country. Chris wrote and illustrated *Realism in Watermedia* (North Light), and has had work featured in *The Artist Magazine*, *Plein Air Magazine*, *Watercolor Magic*, and *Ohio Magazine*. A 2020 finalist in the *Plein Air Magazine Salon*, his work was featured in August/September 2021 issue. Chris also serves on the Board of Trustees of the Ohio Plein Air Society, is Past President of the Ohio Watercolor Society, and is a signature member of the National Oil and Acrylic Painters' Society. View Chris Leeper's work and bio at <https://www.christopherleeper.com>

The first half hour of painting is "make it or break it" time. Learn the importance of value, color temperature, and intensity to spend more time painting and less time mixing.

There will be demonstrations with time for one-on-one instruction during the workshop. Participants may bring their own reference photos, and Chris will have reference photos available to paint. He can also provide the demo image to those who want to draw before the workshop. The emphasis is on value, but participants will also learn how a variety of colors can be obtained with a minimum number of paints.

Supplies List, Description, and Cancellation Policy can be viewed and printed from the PWS website when registering for this event.

PARTICIPANTS MUST ATTEND BOTH SATURDAY AND SUNDAY of the workshop, but Friday evening attendance at the "Meet & Greet" is optional. CDC, state, and local health and safety guidelines will be followed during this in-person workshop.

WORKSHOP LOCATION:
