NEWSLETTER

SEPT 2021

A Message From WHAL President, Debra Tobin:

Hello All!

I hope you all have been enjoying the warm summer weather and have had the opportunity to get out and feed your creative souls with the beauty and colors of the season. The past year has definitely been a challenge but it has also opened a world of new opportunities for us to stay connected with artists both locally and all around the world!

Virtual studio, gallery and museum tours, online classes with instructors who were previously out of reach, international members joining local groups, virtual demonstrations, meetings, show and shares, maker meet-ups, and online art show opportunities are just a few of the positive trends that we have come to embrace. It all just goes to show that you cannot stop artists from creating art and connecting with their communities! They will always find a way. Artists document history...the joy and the sadness and can find the beauty in the world, even in the darkest times.

I'd like to thank you all again for your continuing support of the West Hills Art League. Thank you for embracing our virtual meetings, artist demonstrations, show and shares and annual shows. I hope our newsletters, Facebook, Instagram and YouTube have helped you feel connected to our group.

We are also planning to continue our monthly Plein air days throughout the fall season. As we look toward our new membership year, we are hopeful that we can find a way to combine what was with the new advances we have adopted.

I am excited to announce that we will be kicking off our new membership year with a demo at our September meeting by the accomplished artist and art teacher Victor Beltran! Victor has won numerous awards and has exhibited extensively during his 40+ year career including at the Carnegie Museum of Art in Pittsburgh, Mexico, Peru, Ecuador in the Peruvian Embassy Gallery, and Brazil.

Weather permitting, our plan is to utilize the outdoor patio at Robin Hill. Masks will be required.

We are looking into the possibility of offering a hybrid meeting with Zoom option. More info to come. We will also be recording the demonstration for our YouTube channel.

Membership Renewal

It is membership renewal time. Cost for new and returning members is \$25 single and \$35.00 family. (adults living at the same address)

Members who pay their dues by the November meeting will have their names put in a drawing for a free 2023 membership!

Membership can be renewed online through the membership page of westhillsartleague.com or by sending a check made payable to the West Hills Art League:

West Hills Art League
P.O. Box 633
Moon Township, PA 15108

All WHAL members are invited! This is simply an informal chat session where members can show recent completed pieces or works-in-progress. There will be opportunities for you to ask questions about someone's process and materials, or you could ask for input on something you are working on, or even just log in to get inspired. It's a great opportunity to connect, collaborate or mentor.

ZOOM Instructions:

Step 1: To get started with Zoom, head to their website Zoom.com and click on the "SIGN UP" button that is at the top-right corner of the screen.

Step 2: You have two options when it comes to creating a Zoom account. You can either:

- Create a new account using your email address.
- Sign in using your Google or Facebook account.

Step 3: Zoom will now send you an email with a confirmation link.

Step 4: Download the desktop app/Zoom client from the Zoom website for easy access.

Enter the zoom meeting address or click the link that will be sent to you in your email.

This Month's Guest Demonstrator: Victor Beltran

Join us at Robin Hill on Thursday,
September 16, 7pm-9pm

Victor Beltran is an accomplished artist and art teacher who has been sketching and painting locales from around the world for over 40 years. His collections of Western Pennsylvania include Fallingwater, the Phipps Conservatory, Cooks Forest, and Carnegie Museum. Victor Beltran has won numerous awards and has exhibited in the US including at the Carnegie Museum of Art in Pittsburgh, Mexico, Peru, Ecuador in the Peruvian Embassy Gallery, and Brazil. Victor Beltran has over 50 years of experience in architecture, illustration and watercolor. As an accomplished watercolorist and teacher, he has taught at Phipps Conservatory, conducted workshops for artists' guilds, and previously served as Vice-President of the Pittsburgh Watercolor society.

After many years of sketching throughout the world, Victor has developed extraordinary fine-tuned skills where he can quickly sketch spontaneously to produce stunning images regardless of place or setting.

Beltran produces artistic works that build on his talents and training which is expressed in his spontaneous art forms. In the spring of 2009, Victor produced an event, Art Just in Time, where he produced 16 acrylic paintings in a day. Recently, during a live performance by the Bach Choir of Pittsburgh, Victor created 4 paintings while perched on high a scaffold during Mussorgsky's Pictures at an Exhibition. During his travels to Europe, Canada, Ecuador, Mexico and Eastern United States, Victor Beltran has completed over 60 sketch books which depict thousands of locals including the Swiss Alps, Venice, Paris, Amsterdam, Munich, Rome, Sienna, Florence, Seville, Cordoba, Granada and San Miguel de Allende, Taxco, Morelia and Quito.

Victor Beltran is a member of the Pittsburgh Watercolor Society and Associated Artists of Pittsburgh. Beltran, a native of Lima, Peru, came to Pittsburgh in 1986 and currently resides in the Fox Chapel Area.

Pam Wenger Weekend Watercolor Portrait Workshop Saturday, Oct. 2 and Sunday Oct. 3 from 9am to 4pm

Pittsburgh Watercolor Society is delighted to present a Weekend **Watercolor Portrait Workshop** with Pam Wenger. Pam is a retired teacher who has won numerous awards from the American Watercolor Society (AWS), National Watercolor Society (NWS), Pennsylvania Watercolor Society, Pennsylvania's "Art of the State", and Baltimore Watercolor Society's Mid Atlantic shows. Pam's work has been featured in Splash Magazine, in Artist's Magazine, and she has worked with Charles Reid and Ted Nuttal. Pam's art can be viewed on her website at www.pamwenger.com and on Facebook at facebook.com/pamwengerwatercolor.

Pam Wenger
"connects with people through their expressions, their poses, their placement in a composition."

At the workshop, participants will learn to paint watercolor portraits in a spontaneous style that involves minimal layering and the use of transparent colors. Students should be comfortable with painting in watercolor, but do not need to have experience with portrait drawing or painting. Experienced artists may work freehand, but drawings printed on watercolor paper will be provided for all participants so that those who want to focus on the painting process without spending too much time drawing can do so.

As the workshop is cumulative and sequential, **participants must attend both Saturday and Sunday** of the workshop. (Friday evening attendance is optional.) CDC and state health guidelines will be followed during this in-person workshop. Also, Pam is an experienced Zoom workshop presenter who will mail all references and watercolor papers to participants in the event the workshop goes online.
